
A group of people are gathered around several large, open cardboard boxes on a light-colored floor. One person on the left is kneeling, wearing a dark blue shirt, white pants, and a high-visibility green and yellow safety vest. Another person is kneeling in the center, wearing a pink shirt and light-colored pants. A third person is leaning over the boxes on the right, wearing a blue and white checkered shirt and a white face mask. In the background, other people are standing, and there are stacks of yellow and green plastic containers on a counter. The room has large windows with light blue curtains.
